Advance Your Lab Precision with OHAUS

Purchase any OHAUS semi-micro or analytical balance from an authorized dealer and receive a complimentary Troemner ASTM Class 1 Span Calibration Weight with an ISO/IEC 17025 Accredited Certificate. This high-precision weight is essential for calibrating your balance, ensuring accurate and reliable measurements.

How to Redeem:

- Purchase:** Buy an eligible OHAUS balance.
- Redeem:** Visit www.OHAUS.com/Free-Calibration-Weight and complete the redemption form.
- Upload:** Upload your proof of purchase (invoice or receipt).
- Indicate:** Include the name of the certificate holder on the redemption form and provide promotion code C-00129384.
